

## Im Advent - Ein Elfchen schreiben

Elfchen sind kleine Gedichte. Sie bestehen aus 11 Wörtern:

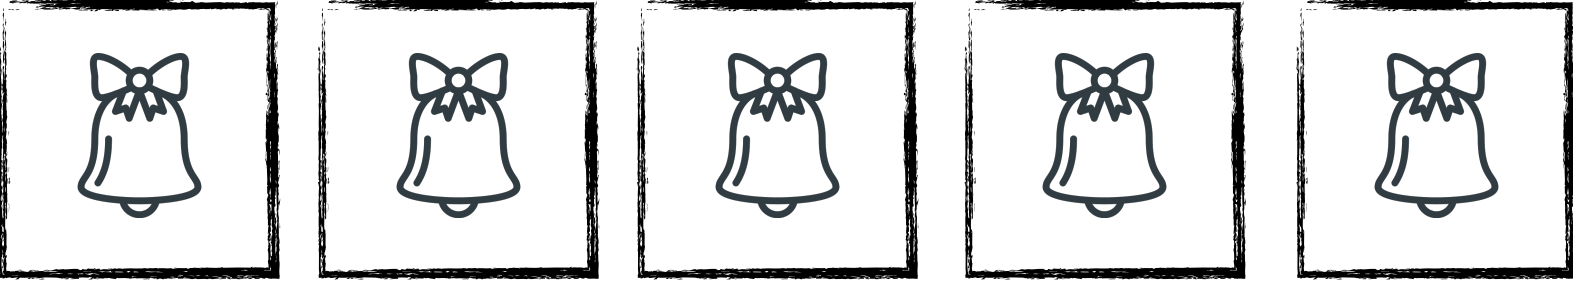

- |                        |          |                    |
|------------------------|----------|--------------------|
| 1. Nomen               | 1 Wort   | Engel              |
| 2. Nomen beschreiben   | 2 Wörter | lange Haare        |
| 3. Was geschieht?      | 3 Wörter | sitzen auf Wolken  |
| 4. Was fühlst/tust du? | 4 Wörter | ich liebe sie sehr |
| 5. Abschlusswort       | 1 Wort   | sinnlich           |

Hier kannst du nun ein Elchen schreiben:

The form consists of a large outer rectangle. At the top, there are five smaller squares arranged horizontally, each containing a simple line drawing of a reindeer's head wearing a hat. Below these squares, there are several horizontal lines for writing, starting with a line that is slightly indented from the left edge of the frame, followed by three more lines, and ending with a line that is also slightly indented from the left edge.

Hier kannst du nun ein Elchen schreiben:
